

## Students to Register In L.A. City Schools

A three-day registration period for all elementary school pupils planning to attend schools in the Los Angeles city system for the first time will be held prior to the opening of the 1955-56 school year September 12.

Beginning Tuesday, September 6, principals will pre-

register new students... both for kindergarten and higher grades... from 8:30 a.m. to 3:30 p.m. in preparation for opening of the school year one week later, through Thursday, September 8.

All students—other than kindergarten or first grade—plan-

ning to enter a Los Angeles city school from a school outside the city or state or from another school within the city system, need only their last report card to indicate grade to which they have been promoted.

Children who will return to the same school they attended in June are being asked not to pre-register.

### Requirements

Kindergarten and first grade students, however, must meet the following requirements prescribed by state law.

Pupils entering kindergarten for the first time must be 5 years of age on or before December 1, 1955. Pupils entering the first grade must have reached their sixth birthday on or before the December 1 date.

All students being pre-registered must be accompanied by a parent, guardian or other responsible adult.

For convenience of parents employed, children may be registered by an adult so designated by the parents. This person, however, will be allowed to present the child or children of only one additional family other than his own.

### Documents

In order to complete registration, one of the following documentary forms must be presented showing evidence of age, birth certificate, baptism certificate duly attested, passport, health office or vital statistics record of birth date, or affidavit of parent or guardian indicating birth date and statement that other proof is not readily available.

All kindergarten pupils will be enrolled on the first day of school on the basis of age, with older students taking precedence regardless of registration date.

In addition, pupils who pre-register must attend school on the first day, Monday, September 12, in order to be enrolled.

### Waiting List

Should registration list exceed facilities, waiting lists will be established in order of registration, with children to be enrolled from these lists when vacancies occur in classes. However, this situation is expected to prevail only in a few scattered areas where population is rapidly increasing.

Only exception to the enrollment procedure, according to school administrators, is in the case of a student already enrolled in another kindergarten within the city system transferring to another school. These individuals will be admitted to kindergarten classes immediately, regardless of age.

Parents seeking additional detailed information are being asked to call or visit their nearest elementary school. Principals and clerks will be on duty beginning Thursday, September 1.

## Lioness Club Holds Picnic

The Lioness club held their annual pot luck picnic at Torrance park last Sunday.

There were 50 members and

guests attending.

After the picnic, members went to the home of Mr. and Mrs. Don Mosher, 2570 Trotter terrace, where they played shuffleboard, paddle tennis, checkers, and went swimming.

The next meeting will be at the home of Mrs. Henry Burke,

1629 Crenshaw, on Tuesday, September 6, at 8 p.m.
